

CITY OF FLAGSTAFF STAFF SUMMARY REPORT

To: The Honorable Mayor and Council
From: Rick Tadder, Finance Director, 213-2215
Management Services/Finance and Budget
Date: July 8, 2010
Meeting Date: August 3, 2010

TITLE: CONSIDERATION OF RESOLUTION NO. 2010-49 AUTHORIZING
SIGNATURES FOR CHECKS AND PAYMENT VOUCHERS

RECOMMENDED ACTION:

READ RESOLUTION No. 2010-49 by title only
ADOPT RESOLUTION No. 2010-49.

ACTION SUMMARY:

With the appointment of Celia Barotz as Vice Mayor, a new bank signatory card must be authorized for completion. This resolution gives appropriate authority for Wells Fargo to process revised signatory cards.

DISCUSSION:

Background/History:

The Mayor, Vice-Mayor, City Manager, Deputy City Managers, and the Management Services Director are the authorized signatories for the City of Flagstaff. Any one member of these designated positions is authorized to sign checks up to \$100,000 and any check over \$100,000 requires two signatures.

For the Court, the Presiding Magistrate has the authority to sign and appoint additional signers. Historically this has included the Magistrates, the Court Administrator, and the Deputy Court Administrators. Any one member of these designated positions is authorized to sign checks up to \$10,000, and two signatures are needed for checks over \$10,000. The Court's authority is to issue bond refund checks.

Key Considerations:

Authority for signing checks must be placed with those in the organization that have the depth of understanding needed to understand the payment being processed, however they are far

enough removed from the accounts payable/purchasing process to maintain adequate internal control.

Community Benefits and Considerations:

The community is best served through the application of internal controls that dictate the separation of the duties to minimize the appearance and/or occurrence of any fund misappropriation.

Community Involvement:

N/A

Financial Implications:

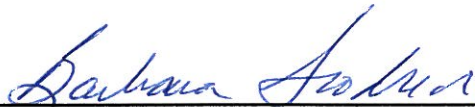

There is no cost to implement new signatories.

Options and Alternatives:

As long as internal control concerns were not compromised, the Council could change, expand, or further limit the number of authorized signatories. The Council could also choose to raise or lower the dollar limit on those checks requiring two signatures. The \$100,000 limit was established by the auditors as all items in excess of \$50,000 are approved by Council and other routine items are typically under some form of contract.
