### **HOW TO PURCHASE POTABLE WATER**

All potable loadout stations require the use of a potable water card. The customer can select how much they want to put on each card. We recommend that not more than \$50 is put on the card at any time. Cards are the responsibility of the customer. If the magnetic strip cannot be read, any money left in that account is forfeited. Potable water cards can only be purchased at City Hall, 211 W. Aspen
