For Immediate Release

### **ARIZONA DEPARTMENT OF REVENUE TRANSACTION PRIVILEGE TAX ADMINISTRATION BEGINS JANUARY 1, 2017**

FLAGSTAFF, AZ (November 14, 2016) - Beginning January 1, 2017, the Arizona Department of Revenue (ADOR) will be the single point of administration for all Transition Privilege Tax (TPT) activities in the State of Arizona. The City of Flagstaff is committed to assisting local taxpayers with a smooth transition to licensing and reporting TPT or sales tax activities with ADOR.

Businesses may begin the transition of filing and reporting TPT activities now by taking the steps located on the City of Flagstaff website at [www.Flagstaff.az.gov/salestax](http://www.Flagstaff.az.gov/salestax). Businesses must submit sales tax (TPT) to ADOR starting January 1, 2017 to avoid late fees and/or penalties.

The City of Flagstaff appreciates taxpayer assistance in making TPT simplification a success. The Sales Tax Division is confident these changes will make it easier for Arizona businesses to report state, county, and city TPT to one jurisdiction. Local taxes will continue to return to the community, supporting local government operations.

Visit the web page for upcoming training opportunities and technical assistance during the transition. For questions, please contact the Sales Tax Division at (928) 213-2250 or email [salestax@flagstaffaz.gov](mailto:salestax@flagstaffaz.gov).
