

Flagstaff Regional Plan 2030

Subject Matter Guide

Last updated: August 2014

The purpose of this document is to provide a quick reference on where to find Goals and Policies in the Flagstaff Regional Plan 2030 related to various topics. This list is not comprehensive, and more complex projects may need to consider a broader set of policies.

City staff: If using this document in filling out staff summaries in AgendaQuick, please introduce the topic with the Goal number and Title (such as LU.1 “Invest in existing neighborhoods and activity centers for the purpose of developing complete, and connected places.”) and explain what policies are relevant in the explanation. So if your agenda item relates to Policy T.5.3, introduce your explanation with: Goal TU.5 “Increase the availability and use of pedestrian infrastructure, including FUTS, as a critical element of a safe and livable community.” – [explanation of how the agenda item relates to the goal and Policy T.5.3].
