

Project Number: Stormwater 8

Planning Period: FY '15

Description: Fanning Drive- Steve's Blvd Crossing: Significant flooding occurred in this area during the Siler Homes Flood on 7-8-14 because of undersized drainage infrastructure and unstable natural earthen channel. Project design will address erosion in natural channel and enlarge drainage culverts under Lockett Rd.

Justification: Undersized infrastructure is creating localized flooding.

Conceptual Cost:	Project Number:	WS 3238AK
	Construction Cost:	\$35,000
	Project Cost:	\$35,000
