

City of Flagstaff Sustainable Automotive Sales Tax Rebate Program

**CHOOSE
FLAGSTAFF**

Goal: The City of Flagstaff seeks to promote purchases of fuel-efficient automotive vehicles to reduce air pollution, further the Climate Action and Adaptation Plan (CAAP), and to support local automotive dealers.

Rebates Available:

The City of Flagstaff will rebate a portion of the local tax paid for purchases of fuel-efficient automotive vehicles. The current local transaction privilege (sales) tax rate on the purchase of vehicles is 2.281%. (If the vehicle is purchased for out-of-state use, the local use tax rate of 2.281% is paid in lieu of sales tax). Residents of Flagstaff may qualify for the local version of these incentives by providing their driver's license that illustrates a City of Flagstaff address or provide a utility bill with a City of Flagstaff address.

All Electric Vehicles (Local): 2.0% of the local sales or use tax rate for any new or used vehicle purchased within the City of Flagstaff. Effective tax rate will be 0.281% after rebate.

All Electric Vehicles: 1.8% of the local sales or use tax rate for any new or used vehicle purchased within the City of Flagstaff. Effective tax rate will be 0.481% after rebate.

Hybrid / Plug-in Electric Hybrid Vehicles (Local): 1.6% of the sales or use tax rate for any new or used vehicle purchased within the City of Flagstaff boundaries that has a city fuel economy of **40 MPG** or higher according to standards established by the U.S. Environmental Protection Agency (EPA). Effective tax rate will be 0.881% after rebate.

Efficient Vehicle (Local): 0.7% of the local sales or use tax rate for any new or used vehicle purchased within the City of Flagstaff boundaries that has a city fuel economy of **30 MPG** or higher according to standards established by the U.S. Environmental Protection Agency (EPA). Efficient Vehicle: 0.5% of the local sales or use tax rate for any new or used vehicle purchased within the City of Flagstaff boundaries that has a city fuel economy of **30 MPG** or higher according to standards established by the U.S. Environmental Protection Agency (EPA). Effective tax rate will be 1.781% after rebate.

Income-Based: For those individuals that earn less than \$50,000 per year, there is an additional \$250 incentive available, upon purchase of a vehicle that fits within the above-mentioned categories. The \$250 may be added to the total rebate but may not exceed the allocated City of Flagstaff Transaction Privilege Tax. Individuals who would like to apply for this incentive will need to submit prior-year tax filing in order to be considered.

Example: Pay \$10,000 for fuel-efficient vehicle, pay local tax of 2.281% (\$228). Upon approval of rebate claim, rebate will be calculated using the corresponding percentage, plus up to an additional \$250, that can be used towards the remaining local transaction privilege tax.
