The City of Flagstaff's code 7-02-001-0014.1 (FOG manual section 8) provides: An FSE/property owner may obtain a waiver from the requirement to install a grease interceptor under the following conditions: The FSE/property owner is a Limited Food Preparation Establishment (single service kitchen with no food preparation) (heat/serve only) and uses only disposable service items and has no clean-up operations.

Please answer the following questions to determine if your establishment meets these guidelines:

- I. Please describe in detail all food activities being conducted at the above premises. (Please use addition sheets if necessary)

- II. In an attached diagram, please indicate the location of any and all water sources, faucets, toilets, drains, hose spickets, etc.

- III. Please explain, in detail, why you feel that the activities you engage in at this location should be considered exempt from the requirement for installation of a grease interceptor for the purpose of controlling fats, oils, and grease entering the City's collection system. Explain how activities at the establishment will be controlled to continue to maintain the exemption if granted. (Please use addition sheets if necessary)
