Programs:

Snowplow Sam– Introductory level divided into 4 progressive levels allowing children with no prior skating experience to build confidence while learning the basic skills of skating.

Basic Skills– These 6 progressive levels teach the fundamentals of figure skating, hockey, and speedskating. Skaters will focus on proper skill development.

Hockey– This 4 level class is designed to teach the fundamentals of hockey skating. Skaters will learn how to be more proficient and agile on the ice and learn proper skating techniques for the game of hockey.

Adult– You're never too old to learn! The adult curriculum is designed for both beginning and experienced adult skaters. This 6 level class will promote physical fitness and improve balance and coordination while teaching proper skating techniques.
