

## City of Flagstaff Backyard Livestock Keeping Permit

If you have any questions or need assistance in completing your permit application, contact Summer White at [summer.white@flagstaffaz.gov](mailto:summer.white@flagstaffaz.gov) or 928-213-2146.

Name: \_\_\_\_\_

Address: \_\_\_\_\_

City, State & Zip code: \_\_\_\_\_

Phone Number: \_\_\_\_\_

**1. Lot size (please check which category below):**

- Less than 20,000 square feet
- 20,000 to 29,999 square feet
- Greater than 30,000 square feet

If you are unsure about your lot size, we recommend using Coconino County's Parcel Viewer map, which can be accessed through [www.flagstaffaz.gov/livestock](http://www.flagstaffaz.gov/livestock)

**2. Are you currently keeping small livestock animals and/or bees?**

- Yes
- No

**3. What number and type of livestock animals do you plan to keep:**

Type of Livestock Animal	Total Number of Each Animal Type
Chicken	
Ducks	
Rabbits	
Pygmy or Miniature Goats	
Bees	

**4. Please attach a site drawing identifying the location of your livestock shelter in relation to property lines and the nearest neighboring dwelling. Please include distance measurements. (for an example of a site drawing, visit [www.flagstaffaz.gov/livestock](http://www.flagstaffaz.gov/livestock))**

**5. If you rent your home, please attach proof of permission from your landowner to keep the small livestock indicated above. (Document, PDF, image, etc.)**

**By signing below, the applicant agrees to comply with all provisions in City of Flagstaff Animal Keeping Code (Chapter 6-03).**

- May keep no more than the allowed number of chickens, ducks, rabbits, and pygmy/miniature goats.
- No roosters are allowed.
- The livestock animals must be kept in an animal shelter from sunset to sunrise. At all other times, animals must be contained within the rear yard of the property.
- Animal shelters must be located no less than 10 feet from property lines abutting a neighboring lot or parcel and at least 20 feet from nearest neighboring dwelling.
- Winged animals must have wings clipped or be always contained in a covered enclosure to ensure containment on the property.
- Livestock animals must have access to a minimum of ten square feet of permeable outdoor space per poultry or rabbit, and 130 square feet per miniature goat.
