### **Public Improvements Permit Application Checklist**

For an application to be accepted, the applicant must provide all of the required information described on the application at the time of formal submittal. **Incomplete applications will not be accepted.** It is the responsibility of the applicant to ensure the accuracy of the application. The application shall be submitted to a Community Development Division staff person, and shall contain the following information:

1. Completed application form.
2. Five (5) paper sets of approved construction drawings.
3. Electronic Copy of approved construction drawings with signed cover sheet.
4. For private land development projects, the required Assurance of Performance for the improvements (if not already in place) per section 10-20.100 of the Zoning Code.
5. A traffic control plan if work requires traffic restrictions or street closure per section 13-15-001-0001.G of the Engineering Standards.
6. One (1) copy (or have one on file at Community Development Division active within the prior year) of a Certificate of Commercial General Liability Insurance at limits of a minimum of \$1,000,000 per occurrence, naming the City as an additional insured per section 13-15-001-0001.B of the Engineering Standards.

**Staff Review:** Upon receiving a complete application, the application will be reviewed by City staff to determine if the submittal conforms to City of Flagstaff Code requirements.

**Approved Permit:** Upon review and approval of the application the applicant will be informed that the permit is ready to be picked up.

**Permit Fee:** The applicant shall pay the required permit fee at the time of permit pick up.

**Inspection:** When improvements are completed, the applicant must contact the Engineering Section to schedule an inspection. The inspector will either approve the work as completed, or require additional corrections. Upon approval, the inspector will sign off on the work and record the approval in the City's permit tracking system.
